

Dighton Middle School Grade 5 Summer Reader Assignment.

Students are to choose to read one of the three books listed below. The assignments or instructions for each book are listed as well. The Dighton Library will be carrying extra copies of these books for your convenience. The school office also has a limited number of copies for students, and of course there is always Amazon. :)

Please complete your work and be ready to hand it in during the first week of school.

Enjoy your Summer!
